March 20, 2020

Dear Parents/Guardians:

Congratulations on getting through week one of Remote Learning. Please remember to email your child's teachers and principal if you have any questions or concerns. As of today, we are still under Governor Murphy's order to remain closed until further notice. Our teachers and principals have prepared lessons up to April 8, 2020. That is the day before the start of our Spring break. I will keep you informed if any new information becomes available regarding an extended closure.

This past Monday the Board of Education approved the revised calendar (attached) for the unused snow days. Please review it carefully as there are three snow days included in the calendar. Also, remember that given the current situation, the calendar is subject to change.

I would like to remind you that any students who are eligible for free and reduced lunch will continue to have the opportunity to pick up a curbside grab and go lunch/breakfast between the hours of 11:00 am and 1:00 pm at the Roselle Park High School. Please visit the back of the High School cafeteria on Lincoln Avenue where we have a food distribution system in place.

Additionally, I want to announce that the following companies have made their hotspots available to the public, please visit the links below for more information.

Xfinity.

As always, stay safe, healthy, and positive.

Sincerely,

Pedro A. Garrido
Superintendent of Schools
