February 25, 2015

Dear Parents/Guardians:

The PARCC assessment will be administered to all students in grades 3-11 beginning on March 2nd and concluding on March 27th. Please visit your child's school website for a specific calendar of test dates. As you may already know, districts are not permitted to "opt-out" their children from taking the assessment, however, we cannot force a child to take a test. Therefore, the district will implement the following procedures:

- When a parent/guardian informs in writing that their child will not participate in testing, the student will enter the room and sit for further instruction from the testing administrator. The student will not need to further refuse to test. The testing administrator will follow the procedures from the manual.
- The school will notify the parent/guardian of any student who refuses to participate in the testing if prior notification was not received. The conversation will be documented. The testing administrator will follow the procedures from the manual
- If contact with parent/guardian is not made and the district does not receive confirmation of refusal, students will be removed and will be seated for their grade level make up sessions

Should you have any questions please feel free to contact your child's principal.

Thank you for your cooperation.

Sincerely,

Pedro Garrido
Superintendent of Schools
