Mr. Pedro Garrido, Superintendent  
Roselle Park Board of Education  
510 Chestnut Street  
Roselle Park, NJ 07204

Dear Mr. Garrido:

The Elementary & Secondary Education Act (ESEA) and other federal laws require that state education agencies such as the New Jersey Department of Education (NJDOE) monitor the implementation of federal programs by sub recipients and determine whether the funds are being used by the school for their intended purpose and achieving the overall objectives of the funding initiatives. In April 2013, the NJDOE issued a Consolidated Monitoring Report to the Roselle Park Board of Education. Your district subsequently submitted a Corrective Action Plan (CAP) outlining the steps to be taken to rectify the deficiencies noted in the report. As part of our required oversight, the NJDOE must monitor the district's progress in implementing these corrective actions.

On May 13, 2014, the NJDOE conducted a follow-up review of your district's CAP submitted in response to the Consolidated Monitoring Report. The purpose of the follow-up review was to determine if the district has successfully implemented the agreed upon corrective actions in accordance with the time line established by the CAP.

Based on the results of our follow-up review, all corrective actions had been successfully implemented. Accordingly, the review file will be closed. The Office of Special Education will follow up on program related issues separately.

The NJDOE appreciates your time and cooperation during the follow-up visit. If you have any questions, please contact Steven Hoffmann via phone at (973) 621-2750 or via email at [steven.hoffmann@doe.state.nj.us](mailto:steven.hoffmann@doe.state.nj.us).

Sincerely,

Robert J. Cicchino, Director  
Office of Fiscal Accountability and Compliance
